

Benjamin's Special Wish

MAKE-A-WISH.

I wish to go....
on a fishing trip
in Florida

On behalf of our families and most importantly, the wish children, I would like to thank you for your fundraising efforts through the "Frank Batastini Orthodontics Spaghetti and Crab Festival 2014". Your efforts have helped adopt the wish of the following South Jersey child as part of our Adopt-A-Wish program.

Benjamin is a five-year-old boy from Burlington County, who was diagnosed with medulloblastoma. When he is hanging out, he loves to play with his friends and watch the movie Cars, the television show Sponge Bob Square Pants and football. When our volunteers met with Benjamin and his family, they asked him the one magical question, "If you could have one wish, what would it be?" He wished to go on a fishing trip in Florida "to catch a big fish"! This spring, Benjamin's wish came true when he and his family were whisked away to the gorgeous Florida Keys for a fun-filled vacation! Through Jose Wejebe "Spanish Fly", they were able to charter a boat to take Benjamin out into the beautiful waters of the Keys for a day of fishing he will never forget! While in the Florida Keys, they were able to stay in Key West with so many different activities at their fingertips!

Your generous support gave Ben the opportunity to get away with his family and create memories they will cherish forever.
