

Dylan's Special Wish

MAKE-A-WISH[®]

I wish to go...
on vacation with
his family

On Behalf of our families and most importantly, the wish children, I would like to thank you for your fundraising efforts through the "Family Fun Day 2011". Your efforts have totaled \$2,285.00 and have helped adopt the wish of the following South Jersey child as part of our Adopt-A-Wish program.

This gift will help us carry on our vital mission as we continue to reach out to deserving children each year – children like Dylan who experienced the power of a wish:

"When Dylan was diagnosed with cancer two years ago, many of his dreams were put on hold as his focus became his daily treatments and trying to get better. We have been through a lot as a family and Dylan is very close to his three brothers, so it meant a lot to Dylan to have all of us on his wish to go on vacation. Although Dylan still has to continue treatments, you have provided him with great memories to offset the difficult times. We tell everyone about the wonderful wish that was granted for Dylan and hope that many more people offer their support of your great mission. We would like to thank the donors from the bottom of our hearts for their help in making wishes come true!"
