

Faith's Special Wish

MAKE-A-WISH[®]

I wish to go....
to Puerto Rico

On Behalf of our families and most importantly, the wish children, I would like to thank you for your fundraising efforts through the "Frank Batastini Orthodontics Spaghetti and Crab Festival 2010". Your efforts have totaled \$2,550.00 and have helped adopt the wish of the following South Jersey child as part of our Adopt-A-Wish program.

Seven-year-old Faith, who was diagnosed with lymphoma, loves watching the "Wizard of Oz", horses, and coloring. When Make-A-Wish volunteers visited with Faith and her family, they asked her the one magical question, "If you had one wish, what would it be?" She wished to go to Puerto Rico because she became ill when her brothers went there. This spring, Faith's wish will come true when her mother, brothers, and she are flown to San Juan, Puerto Rico! While there, they will be staying at the Rio Mar Beach Resort, which has a phenomenal view of the Atlantic Ocean and El Yunque - the Caribbean's National Forest. They also have "Club Iguana", which is a supervised program for children between the ages of 4-12. This will be a great getaway for Faith and her family, where many unforgettable memories will be created.
