

Paige's Special Wish

I wish to go....
Walt Disney World!!

Thank you for your support of Make-A-Wish® New Jersey through your annual Frank Batastini Orthodontics Crab and Spaghetti Festival! Your 2016 event efforts has helped to fund Paige's wish to go to the Walt Disney World® Resort in Florida! It is my honor to tell you a little more about her wish:

Paige is an 11-year-old girl who was diagnosed with leukemia. She loves the color pink, Doritos, Reese's Pieces, puppies, and Taylor Swift. When she has free time she enjoys collecting Tsum Tsums, coloring, going to the library and reading. When Make-A-Wish volunteers visited Paige and her family, they asked her the one magical question, "If you could have one wish, what would it be?" Paige wished to go to Walt Disney World in Florida because she has never been to Disney before and wants to visit with her family, meet the characters, go to Universal Studios, and the water parks! Paige's wish came true when she and her family were whisked away to Walt Disney World in Orlando, Florida. While there, the family stayed at Give Kids the World village, a special area near Disney reserved specifically for wish children, like Paige, and their families. At the village, our wish children are treated to amenities, such as late night ice cream service, a handicapped accessible pool and characters reading them bedtime stories, just to name a few. During their time in the parks, our children are treated like VIPs! They wear a special button and go straight to the front of the line on all the rides, shows, character meet-and-greets and other park attractions. Our families also have the opportunity to visit Universal Studios and Sea World where their VIP treatment continues!

Your generous support gave Paige the opportunity to create memories that she and her family will cherish forever. Once again, thank you for helping us restore hope, strength and joy to the lives of wish children and for sharing the power of a wish!
